Hardship Application

150th CSDBAA Reunion

(Expired on June 1st, 2024)

The hardship fund program is designed for those alumni and their families who struggle financially. We use this fund to support bringing diverse people to the event. The hardship is very strict and limited to specific reasons. The application must be complete for the committee to determine. The application can be found at <https://forms.gle/xWBWDnUuMEHdxjo27>.

Do not procrastinate on the application! The earlier you pay or reserve the layaway program, the cheaper it will be. We highly recommend you to apply the layaway agreement plan first before applying the hardship. We have limited hardship funds so this application procedure is first come, first serve. The sooner you apply the better chance you will get a discount. We will have three periods of application screenings on 12/1/2023, 3/1/2024, and 6/1/2024.

CSDBAA doesn't have great funds in our hardship fundings. We encourage sponsorship to support this fundings. We are also hosting the fundraising events to cover the funds and that would increase the opportunity to support the hardship program and be able to bring in financial support to our hardship alumni and their families. The alternative arrangements can be compromised with volunteering during the reunion event.

The volunteership may be included or not included in the hardship, the committee will oversee and see if this is necessary, please complete the hardship application and state if you want to volunteer during the event. The volunteer could be included but not limited to the following- cleaning crew, security, food services, and/or other roles.

The qualification eligibility list goes by:

Top priority: Families

Secondary priority: Current High School or College Students (With proof of School ID)

Third priority: Low income (2021 Federal Sliding Fee Scale)

This application will be screened privately by the CSDBAA Financials officers committee. We will decide the amount deducted from your total expense of the 150th Reunion tickets. If you already paid the cost for the reunion tickets, it is possible that we may refund you at the door or reduce your layaway plans. Otherwise, you will get our email and paypal invoice. You can decide to pay the ticket completely by using credit card, or Paypal. You can mail a check. You can split your payment by applying the layaway program.
